

SADEC TANZANIA POLYTECHNIC INSTITUTE (STAPI)

INTERNATIONAL CONFERENCE ON ENGINEERING RESEARCH AND INNOVATIONS (ICERI 2025)

INTRODUCTION

SADEC Tanzania Polytechnic Institute (STAPI) is a Tanzanian Private Registered Polytechnic Institute that is located at Mitindo "A", Misungwi Town in Mwanza Region, Tanzania. Among its main objectives are, to offer short- and long-term technical trainings at all levels and undertake engineering designs, researches and consultancy activities as well as to carry out various professional development programmes. As part of its research and consultancy activities, the STAPI is now preparing the First International Conference on Engineering Research and Innovations (ICERI 2025) that will be held on 20 to 22 October 2025 in Mwanza City, Tanzania. ICERI 2025 will cover all aspects of research and innovations of engineering materials and models, as well as practical considerations of the analysis, design, construction and system maintenance in all engineering disciplines. The conference is structured as a combination of presentations of conference papers and exhibitions of research works and innovations.

CALL FOR PAPERS

Prospective authors are invited to submit an abstract. Abstracts should be about 200 to 300 words in length. There is no special format for abstracts, except that these should be written clearly, stating the aims of the paper, and indicating any preliminary findings. The deadline for submission of abstracts is 31 December 2024. Full papers will require to be submitted by 01 June 2025. These will be peer-reviewed. Only those papers that have been accepted will be scheduled for presentation at the conference and publication in the Proceedings.

SPECIAL SESSIONS

A number of special sessions will be held within the framework of ICERI 2025. Typically featuring 5 to 15 presentations, special sessions will be devoted to the reporting and discussion of the latest developments on a particular theme. Persons interested in organizing a special session for ICERI 2025 2025 are invited to submit, by 30 June 2025, a proposal of not more than 20 lines. This should indicate the rationale, aims and scope of the session, the topics covered, and type of contributions sought.

CALL FOR INNOVATION EXHIBITIONS OUTLINES

Persons and Institutions that wish to demonstrate their innovative Works are requested to submit project outlines stating objectives, methodology, significance and technological innovations by 01 June 2025. The outlines should be limited to 1000 words presented in any format. All conference paper abstracts and outlines for exhibitions have to be submitted through the following email: rector@stapi.ac.tz. Further communications regarding this event can be done through this email or WhatsApp No. +2556555004212.

We are very much looking forward to your scientific contribution and welcoming you to the conference next year.

Harold Jackson Mtyana
Chair, ICERI 2025
